Does it include shoes, hats, glasses or any other accessories? Please give a full description of the pair! I encourage pals to coordinate with pet!

Categories – Prizes given in the following categories:

- 🍎 MOST ORIGINAL: Something out of the ordinary. This is usually a costume that someone has made rather than just went out and purchased,
- 🍎 MOST OBEDIENT: We encourage the contestants to have their animal perform “tricks” or “commands” so that the judge has something to evaluate.
- 🍎 BEST OF SHOW: This is going to be the animal that has the “entire package”.
